Dear Parents and Carers,

A big well done to Year 3 for their class assembly today. The children did themselves proud and it was lovely to hear all about everything they have been learning and enjoying in class. Next week we see the start of May and look forward to more school trips, hopefully more play-times on the school field and the approach of tests for some year groups. Year 6 have been working especially hard and we continue to support them as they get fully prepared for their SATs tests later in May. We will also be looking forward to a Well-being week in the week before half-term (more information on this to come).

I hope everyone has a good weekend.

Anthony Richards,  
Head teacher
