*'Learning today for life tomorrow'*

RESPECT

INDEPENDENCE

CONFIDENCE

CREATIVITY

Dear Parents and Carers,

Well done to the Year 1 children who led a really enjoyable class assembly today. It was great to see some of the work they have done this year and see how their confidence is growing. We have also been learning this week about the importance of being safe around trains and the children could think of lots of ways to do this and what to do if someone else they know is not being safe. We now look towards next week and wish our Year 6 children the best of luck with their SATS tests.

I hope everyone enjoys the sunshine over the weekend.

Anthony Richards,  
Headteacher

## **CHANGE OF MENU- THURSDAY 16<sup>TH</sup> MAY**

There will be a slight change to the menu on Thursday 16<sup>th</sup> May. The sausage roll/vegetarian sausage roll slice will be served with potato wedges instead of pasta salad. This will still be served with mixed salad and coleslaw. Thursday 16<sup>th</sup> is our Census Day and we would like to encourage all children in Reception and infants to try and school meal on this day. All children in reception and infants are entitled to free school meals and the take up of meals on this day from these year groups helps towards funding allocation for the school. Thank you for your support.

## **YEAR 6 TRANSITIONS TO SECONDARY**

If you receive an offer for an additional transition day at your child's secondary school, could you kindly confirm this arrangement with the school office either via telephone or email. This ensures clarity and confirms the arrangement between you and the secondary school. Many thanks.

## **WARMER WEATHER**

A reminder to please make sure children are wearing sun cream for warmer days. Children will be spending more time outdoors when the weather is better including breaks and lunches as well taking advantage of various areas of the school grounds during lessons. We will of course monitor the children but sun cream applied before coming to school is really important.

## **CHILDREN'S WELLBEING WEEK**

We will be taking part in Wellbeing week, commencing Monday 20<sup>th</sup> May. Wellbeing is defined as being comfortable, healthy or happy. Therefore teachers and children have taken time to reflect on and work together to plan fun, calming and enjoyable activities aimed by boosting their wellbeing. For example painting to music, reading, being outside, yoga and other exercising. We will also be having a 'wear what makes you happy' day for a donation and a whole school picnic outside during this week which we are all looking forward to! More details on this will follow.

## **DROP OFF AND PICK UP**

Just a polite reminder to please be mindful at school drop off and pick up times. We still have some cars parked inconsiderately. Could we please also ensure parents/carers are dressed appropriately, including wearing T-Shirts. Many thanks.

## **Reception: Honeybees**

**Rhodes-** for really challenging himself in all areas of his learning this week

**Grace-** for working hard to get her finger spaces in the correct places.

## **Year 1: Turtles**

**Jude** – for good understanding of halves in maths.

**Effie** – for fantastic use of persuasive language in English.

## **Year 2: Parrots**
