Dear Parents and Carers,

This week the children have all enjoyed getting involved in all of our OPAL lunchtime activities. Please continue to send children in with wellies and outdoor waterproofs, as this gives them access to the field, sandpit, mud-kitchen, boat and tunnel.

We are hoping to run an OPAL workshop for parents closer to Easter to enable you to see the zones, resources and activities that the children enjoy playing with so much.

Have an enjoyable weekend.

Anthony Richards,

Headteacher

Our PFA will also be hosting a quiz night on Friday 7<sup>th</sup> February, in the School Hall. Please see the poster at the end of the Newsletter for more information.

As always, thank you for your continued support.

### **TIPS FOR PARENTS AND CARERS: How can you keep yourself and your loved ones safe online!**

Each week we will post a tip to support being safe on the internet.

### **Make sure they know they can always come to you!**

Children are never too young for regular chats about

keeping safe online. Many children are using computers, tablets and their parent's smart phones. The internet can be a fun and education tool to explore together but it is important to make informed choices to keep your child safe. For example setting parent controls on your home broadband. This allows you to manage what your child sees and who they communicate with. Remember children can access the internet through laptops, PCs, tablets, smart phones and TVs. It is important that parent controls are set on all devices your child may access. (Twinkl.co.uk)

Thank-you for any donations this week. If anyone has any old clothes, that are no longer wanted or needed –Please send them in, as these would be perfect for the children to dress up.

### Golden Seagull

#### Tobiah

For managing playtimes really well and embracing everything Opal has to offer. It has been amazing to see such a difference in your behaviour and your communication with your peers and adults. Well done!

#### Phoebe C
