Dear Parents and Carers,

Welcome back! I hope everyone had a good summer. It was great to see the children excited to come back to school and settle into their new classrooms with their new teachers. Welcome to new families and their children who have joined us; we hope you will settle quickly into our school community.

As with last year, as a school we are committed to trying to restrict email traffic as much as possible and include important information, up-coming events and school highlights on our weekly newsletter. We would therefore appreciate you taking time on a weekly basis to read the newsletter so you are aware of what is happening at school, as well as resources available more widely that may well be beneficial to you.

It is also a great way to share positive achievements together as a community so please share any of your child's achievements with us so we can celebrate them with you!

Have an enjoyable weekend everyone.

Anthony Richards,
Headteacher
