CREATIVITY

Dear Parents and Carers,

The weather has suddenly got very cold (snowy and wet today too)! However, we have still enjoyed lots of time outside in the sunshine. Having the children outdoors enjoying their leisure time is very important to us, and children get a lot from it. A reminder about the importance of wellies and wet weather gear, so children can access all the areas outside. At a very minimum, children must bring in a warm and ideally, waterproof coat. We try to be outside as much as possible so if it rains lightly, we will stay out. However, children without coats either have to borrow one from the school (donations of good children's coats very much welcomed) or go to 'Oasis' (classroom open during lunch-time), both things that some children really don't want to do. Thank you for your support with this.

On another note, thank you for supporting with fundraising efforts last Friday. The Year 6 team worked hard to create a fun afternoon for all the children and raised a good amount of money in the process.

Have an enjoyable weekend.

Anthony Richards,
Headteacher

Reception: Honeybees

Tyler - for lovely joining in this week when practicing our nativity songs.

Year 6: Tigers

Poppy - for writing a range of excellent expanded noun phrases

Levi - For confident work in Maths

THANK YOU!

Thank you to everyone for supporting both Children in Need and World Diabetes Day last Friday and a big well done to Year 6's for organising. We had a fantastic time and raised over £400, which was split between both charities!

TAG DAY- FRIDAY 28TH NOVEMBER

To support our Laser Light Show and Winter Festival we are holding a Tag Day next Friday 28th November. Children are invited to wear their own clothes into school for a donation of mince pies/cakes. All donations gratefully received.

We are also looking for any unwanted children's gifts to support our 'Children's Tombola Stall'. If you have any unwanted gifts in good condition, they will be gratefully received and can be brought into to the School Office. Thank you for your continued support.

LASER LIGHT SHOW AND WINTER FESTIVAL

Together with our PFA we are excited to announce our Laser Light and Winter Festival on Friday 28th November! Please see the poster below for more details.

TIPS FOR PARENTS AND CARERS:

Online Safety – Let’s Talk About It!

This week we are thinking about online relationships, an important part of children’s lives, and it’s helpful for them to learn that the same rules apply online as they do face-to-face. Just as we encourage kindness, respect, and good manners in the real world, these values should guide children’s behaviour when they are chatting, playing games, or messaging online. It’s especially important to remind children that being behind a screen—even anonymously—doesn’t remove the need to be respectful and considerate. Teaching this helps children build positive digital habits, communicate safely, and develop healthy online friendships.

ACHIEVEMENTS

A big well done to Arthur in Year 4 who has earned himself a Blue Peter page for his achievements in fencing. Congratulations Arthur!

A big well done to Joseph in Year 3 for his achievements in football. With the support of his friends, he is playing amazingly and even scored a hat trick! Well done Joseph!
