OFSTED VISIT

As we come to the end of this week, both myself and the governors would like to extend our sincere thanks to everyone in our school community following our Ofsted inspection.

We are incredibly proud of our staff team, whose dedication, professionalism and hard work throughout the visit helped to give inspectors a clear and authentic picture of our school. Their commitment to providing the very best for our children was evident at every stage.

We would also like to thank our pupils. They were wonderful ambassadors for the school, greeting visitors politely, talking confidently about their learning and sharing their experiences with enthusiasm. We are extremely proud of every one of them.

Finally, thank you to our parent community for your continued support. We greatly appreciate the positive comments and feedback shared with inspectors about the school, and the many messages of encouragement received by staff throughout the week.

We now await the publication of the final report. As part of the inspection process, we are unable to discuss the outcome until the report has been published, and we will share it with our community as soon as we are able to do so. In the meantime, thank you once again for your support and for helping to make our school such a special place.

Anthony Richards, Headteacher and the Governing Board

TURTLE AND PARROT CLASS TRIP TO LONDON ZOO

On Thursday, the Turtles and Parrots went on a trip to London Zoo. We saw so many different animals and learnt a lot about what it is like to live in Africa, India and South America. We saw the penguins diving underwater, had butterflies land on us in the butterfly walkthrough, came face to face with lions and tigers sitting against the glass of their enclosures, and had giraffes reaching over their fence to say hello! We also fell in love with the baby gorillas who were doing roly-polys and playing together 😊. Although we did get a bit wet as we first got off the coach, we all had a fantastic day and the children behaved impeccably showing curiosity and a respectful attitude throughout. They were fantastic ambassadors for our school. Well done Turtles and Parrots!

TIPS FOR PARENTS AND CARERS: Online Safety – Let’s

Talk About It! This week we are thinking about understanding the emotional impact that online content can have on children’s emotions. What they see, hear, or read online may make them feel happy, excited,

worried, or even upset. Some content, such as unrealistic lifestyles or negative messages, can affect self-esteem and wellbeing. Talking regularly with your child about how online content makes them feel helps them develop awareness and resilience.
