THE PANTOMIME IS BACK ON!

We are pleased to be able to share some exciting news! With a little help, we have now managed to secure an alternative pantomime booking for this year! We will now be enjoying a performance of Sleeping Beauty on Monday 14th December at The Maison Dieu in Dover. We are so pleased that we have been able to find an alternative for the children and to be able to keep up our annual pantomime tradition. Further details will follow shortly. Thank you for your patience and understanding while we worked hard to find an alternative.

CHILDREN IN NEED

Our School Council will be holding a cake sale next Friday, 13th November, to raise money for Children in Need. We will be selling cakes in the playground after school. Please could we kindly ask for donations of cakes on the day. All money raised will go to Children in Need.

As always, thank you for your support!

ROAD SAFETY REMINDER

As a reminder, please take extra care when parking and driving around the school at drop-off and pick-up times. Please park considerately and safely, being mindful of our children, families and local residents. With the weather changing and darker, wetter conditions becoming more common, we also ask everyone to take extra care when driving, particularly during these busy times. Thank you for helping us to keep our school community safe.

GOLDEN SEAGULL AWARD

Eily, Mollie and Isla for wonderful imaginative play when using the scooter boards. Not only was their game fun and inventive, but they also played so well together too, taking turns, sharing and communicating with each other in such a lovely way!

Roo for his amazing kindness and sharing skills when playing with the scooter boards. He didn't hesitate for a second when another child asked him if they could have a go on the board once he had finished. He passed it on straight away and just changed his own game to ensure both children could enjoy their playtime.

ORACY AT HOME

To encourage oracy at home and in school we have launched an '**Oracy at home'** feature which includes a topic for discussion at home and at school.

Happy chatting! Mrs Mclatchie ☺

TIPS FOR PARENTS AND CARERS- Online Safety- Let's Talk about it! This week we are thinking about - What is an Online Reputation? An online reputation is the impression others have of us based on what we share, post, and do online. Even at primary school age, children are beginning to build this digital identity through games, apps, and shared content. Help your child understand that their online actions contribute to how others see them, both now and in the future.

MFL - LANGUAGE OF THE WEEK

This week's language of the week has been **Swahili,** so the children have been practicing **'Jambo'**- Good day and **'Tafadhali'**- Please, to answer the register and give their dinner choices.

We hope you enjoy exploring the languages of the world with us.
